

Greater Manchester Rape Crisis (GMRC) are recruiting.

GMRC are the leading female only voluntary organisation in Greater Manchester providing information, support and counselling to women over 18 who have experienced sexual violence whether as an adult or a child.

We are looking for counsellors with a minimum of 3 years' experience of trauma informed practice working with survivors of sexual violence.

We require counsellors who can work face to face but will consider hybrid working if necessary. Our preferred working days would be Monday and Friday with some evening work available Wednesday and Thursday.

The work is challenging but rewarding and is an opportunity to make a real difference to the lives of women who have experienced severe trauma and abuse.

We can be flexible with the number of hours the successful candidates wish to work but please note we have a cap of 15 clients per week due to the level of trauma you may be working with.

The sessions will be delivered from our centre in Ardwick

Salary £30 per hour

Hours up to 15 per week

Closing date: 27/3/2025

Further information about the role is available in the job pack.
